

Lessons of Youth

Youthful impressions are lasting, especially if they are forcibly applied, like mother's slipper used to be.

Teach the children that saving is a duty they owe to themselves. Old age comes to all, but it's often hard to make youth realize it. Early formed habits are the lasting ones. The child taught to realize the full value of a dollar is better equipped than the one whose head is stuffed with knowledge of a dozen dead languages. Our bank will help your children to save. HELPFUL WORDS

From A Hillsboro Citizen.

Is your back lame and painful? Does it ache especially after exertion? Is there a soreness in the kidney region? These symptoms suggest weak kidneys.

If so there is danger in delay. Weak kidneys get weaker fast. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys.

Your neighbors use and recommend them.

Read this Hillsboro testimony. S. Ravenscroft, N. High St., Hillsboro, Ohio, says: "I have used Doan's Kidney Pills for several years and have always found them to be all that is claimed of them. Traveling seems to have a bad effect on the kidneys, which at times is very annoying. It only takes a few doses of Doan's Kidney Pills to relieve the trouble." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. adv

Obituary.

We are fastened to this world by strong and lasting ties, but every sorrow cuts a cord and urges us to rise.

One of the cords that bound us in family was severed Wednesday morning when the life of Floyd Errol went out with the rising sun.

He was the oldest son of Harry S. and Elizabeth Hill. He was born near Pike Chapel September 3, 1891, died December 17, 1913, aged 22 years, 3 months and 14 days.

He grew to manhood in the neighborhood in which he was born. During his illness he was remarkably patient, never complained, never murmured, but appeared completely resigned to the will of Him who does all things well.

With God and the angels we must leave him till in a brighter day we shall meet him again.

"There is no flock however watched and tended But one dead lamb is there: There is no fireside howsoever defended, But has one vacant chair."

RHEUMATISM

This nerve-racking disease is caused from impure blood and uric acid poison. External applications sometimes give temporary relief but won't cure; the sure way to secure permanent results is to thoroughly eradicate from the blood all the impurities. Nothing on earth will drive out the poisons from your system, keep the bowels, kidneys and liver in good condition as **SEVEN BARKS**, the wonderful remedy that has proved its great merits the past 42 years.

SEVEN BARKS can be had of all druggists, at 50 cents per bottle. Give it a good trial and watch your rheumatism disappear.
